INCREASING POPULARITY IN BUILDING CONSTRUCTION

Foamit®

- ✓ Roofs
- ✓ Base floors
- ✓ Floors
- ✓ Shelter roofs

The image shows a large pile of grey, irregularly shaped foam granules. The granules are in sharp focus in the foreground and become increasingly blurred as they recede into the background. In the center of the image, the word "Foamit" is written in a bold, rounded, green font with a white outline. A registered trademark symbol (®) is located at the top right of the word. The background is a bright, out-of-focus white surface, possibly a large container or a clean floor, with a thin vertical line visible in the distance.
